Explanation of Responses:

- Each restricted stock unit ("RSU") represents a contingent right to receive one share of common stock of the Issuer ("Share") or, in the Issuer's discretion, an amount of cash equal to the fair market value of the Shares represented by the RSUs on the payment date. These RSUs vest in four equal annual installments starting on August 1, 2020, subject to the reporting person's continued employment through the applicable vesting date, and provided that no RSUs can be settled until after the expiration of the lock-up period established in connection with the Issuer's initial public offering. These RSUs fully vest upon a change in control of the Issuer.
- This option vests in four equal annual installments starting on October 1, 2017, subject to the reporting person's continued employment through the applicable vesting date. This option fully vests and becomes exercisable upon a change in control of the Issuer.
- This option vests in four equal annual installments starting on February 1, 2018, subject to the reporting person's continued employment through the applicable vesting date. This option fully vests and becomes exercisable upon a change in control of the Issuer.
- The price reported in Column 4 is a weighted average price. The shares were sold in multiple transactions at prices ranging between \$71.35 to \$71.85. The reporting person undertakes to provide to nCino, Inc., any security holder of nCino, Inc., or the staff of the Securities and Exchange Commission, upon request, full information regarding the number of shares sold at each separate price within the range set forth in footnote (4).
- These sales were sold to cover tax withholding due upon vesting RSUs. Such "sales to cover" are mandated by the Issuer's equity incentive plans to satisfy tax withholding obligations and do not represent a discretionary trade by the reporting person.
